

MOST Market Roundup

Market Update

Nifty : 25,815.55 -3.00 (-0.01%)

Sensex : 84,481.81 -77.84 (-0.09%)

- Equity benchmark Nifty ended on a flat note in a highly volatile session as investors stayed cautious ahead of the US inflation data due later today. Market sentiment was further dampened by uncertainty over the progress of the India–US trade deal and weakness across global markets. Adding to the cautious tone were key central bank events, with the Bank of England set to announce its rate decision today and the Bank of Japan scheduled to unveil its policy decision tomorrow. Broader markets continued to underperform, as traders rotated towards fundamentally strong large-cap stocks. The Nifty closed marginally lower by 3 points, or 0.01%, at 25,815, after moving between an intraday high of 25,902 and a low of 25,726.
- Sectorally, select IT, metal and AMC stocks led the gains, while private banks saw fresh buying interest, driven by Axis Bank and ICICI Bank. On the downside, defence, pharma and capital goods stocks witnessed profit booking. The Nifty IT index outperformed, rising over 1% ahead of Accenture’s earnings announcement later today. TCS gained 2% to close at ₹3,280 after reports that it secured a \$1 billion contract from Telefónica UK. Asset management company stocks such as Nippon Life, HDFC AMC, UTI AMC and Nuvama rallied 2–6% after SEBI revised expense ratios and brokerage caps more favourably than initially proposed. The metal index also ended higher, supported by rising base metal prices on the LME and record-high silver prices, with Vedanta, Hindustan Copper and Hindustan Zinc advancing 2–5%. Globally, the Nasdaq Composite fell nearly 2% overnight, while Asian markets declined, led by technology stocks amid concerns over the artificial intelligence sector. In contrast, the UK market gained on hopes of a rate cut, supported by easing inflation ahead of the Bank of England’s policy announcement.

Technical Outlook:

- Nifty index opened negative but attempted recovery to cross 25900 zones but failed to hold at higher zones. It gave up strength in the second half and fell to 25700 marks. Index has been witnessing a tug of war between the bulls and bears from the last few sessions. It formed a small bodied bullish candle on the daily frame but with longer upper shadow indicating pressure is intact at higher zones and is continuously making lower highs – lower lows from the last four sessions. Now till it holds below 25900 zones, weakness could be seen towards 25700 then 25600 zones while hurdles have shifted lower to 25900 then 26000 zones.
- S&P BSE Sensex index opened on a flattish note near 84450 zone and witnessed a strong recovery towards 84780 zones. Bulls displayed dominance till midday; however, bears stepped in thereafter and dragged the index lower once again. The absence of follow up buying at higher levels restricted bulls from carrying the index further up. On the daily chart it formed a small bodied candle with wicks on both sides indicating a clear tug of war between bulls and bears. The index continues to hover near its 50 DEMA, highlighting a phase of indecision near its crucial support. Now till it holds below 84800 zones weakness could be seen towards 84200 then 83900 zones while hurdles have shifted lower to 84800 then 85100 zones.

Derivative Outlook:

- Nifty future closed negative with losses of 0.06% at 25882 levels. Positive setup seen in Hindustan Zinc, Ashok Leyland, TCS, Voltas, Vedanta, Tech Mahindra, MCX, Hindalco, Federal Bank and Laurus Labs while weakness in SAIL, NCC, BHEL, Bandhan Bank, Sonacoms, Piramal Pharma, Kaynes, JSW Energy, RVNL and Asian Paints.
- On option front, Maximum Call OI is at 26000 then 25900 strike while Maximum Put OI is at 25800 then 25700 strike. Call writing is seen at 25800 then 25900 strike while Put writing is seen at 25700 then 25800 strike. Option data suggests a broader trading range in between 25300 to 26200 zones while an immediate range between 25600 to 26000 levels.

Today's News

- **ACME Solar ties up \$523mn debt to fund Renewable Projects** - Company tied up Rs4730cr in debt from financial institutions to fund the construction of renewable energy projects. The capital raising includes financing and refinancing for 18-20 years tenor.
- **Mahindra Lifespaces** - The company has launched Mahindra Blossom, a premium residential development in Whitefield, Bengaluru, with a potential GDV of approx. ₹1,900 crore.
- **Vedanta** - Vedanta Group Chairman said that the proposed demerger into five independently listed companies is targeted for completion by March 2026.
- **Maruti Suzuki** - The company expects the debut of its first all-electric vehicle to boost deliveries of alternative-fuel-powered cars to nearly half its total Indian sales next year.
- **NHPC** - Company says that the successful trial run of Unit 2 (250 MW) of Subansiri Lower HE Project (2000 MW) is submitted.
- **Max Healthcare** - Company has agreed to acquire a 100% equity stake in Yerawada Properties for Rs200cr. Board also approved a proposal to set up a 450-bed super speciality hospital on the land owned by Yerawada Properties in Pune, India.

Global Market Update

- **European Market** - European stocks were muted as investors looked ahead to interest rate decisions from the European Central Bank and Bank of England. UK, Germany and France Index are flat to positive.
- **Asian Market** - Asian equities edged lower, with South Korea leading a broad selloff on concerns over the artificial intelligence sector. Both Japan and South Korea Index declined 1% and 1.5% respectively.
- **US Data** - CPI and Initial Jobless claims.
- **Commodity** - Brent Crude gained 1% to above \$60/bbl after President Trump ordered a total blockade of all sanctioned tankers entering and leaving Venezuela, raising risks of prolonged supply disruptions in the region.

Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>. As per Regulatory requirements, Research Audit Report is uploaded on www.motilaloswal.com > MOFSL-Important Links > MOFSL Research Analyst Compliance Audit Report.

MOFSL, it's associates, Research Analyst or their relatives may have any financial interest in the subject company. MOFSL and/or its associates and/or Research Analyst or their relatives may have actual beneficial ownership of 1% or more securities in the subject company at the end of the month immediately preceding the date of publication of the Research Report or date of the public appearance. MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may have any other potential conflict of interests at the time of publication of the research report or at the time of public appearance, however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report..

In the past 12 months, MOFSL or any of its associates may have:

- a) received any compensation/other benefits from the subject company of this report
- b) managed or co-managed public offering of securities from subject company of this research report,
- c) received compensation for investment banking or merchant banking or brokerage services from subject company of this research report,
- d) received compensation for products or services other than investment banking or merchant banking or brokerage services from the subject company of this research report.

- MOFSL and it's associates have not received any compensation or other benefits from the subject company or third party in connection with the research report.
- Subject Company may have been a client of MOFSL or its associates during twelve months preceding the date of distribution of the research report.
- Research Analyst may have served as director/officer/employee in the subject company.
- MOFSL and research analyst may engage in market making activity for the subject company.

MOFSL and its associate company(ies), and Research Analyst and their relatives from time to time may have:

a) a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein.

(b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

Above disclosures include beneficial holdings lying in demat account of MOFSL which are opened for proprietary investments only. While calculating beneficial holdings, It does not consider demat accounts which are opened in name of MOFSL for other purposes (i.e holding client securities, collaterals, error trades etc.).

MOFSL also earns DP income from clients which are not considered in above disclosures.

To enhance transparency, MOFSL has incorporated a Disclosure of Interest Statement in this document. This should, however, not be treated as endorsement of the views expressed in the report. MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Analyst Certification

The views expressed in this research report accurately reflect the personal views of the analyst(s) about the subject securities or issues, and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report.

Disclosure of Interest Statement

Analyst ownership of the stock No

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to subject company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Financial Services Limited (SEBI Reg No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

MOTILAL Oswal Financial Services Limited (MOFSL) is not a registered broker-dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States.
