Margin expansions in Europe and the Americas drive profitability

In-line operating performance

- EPL reported an EBITDA of INR2.3b (+22% YoY) in 1QFY26, in line with our estimate. This was driven by EBITDA growth across all regions, with Europe/America/EAP/AMESA witnessing a growth of 52%/35%/8%/2% YoY.
- EPL continued its trajectory of margin expansion (up 200bp YoY), supported by gains in Europe and the Americas. This was fueled by strategic restructuring, cost optimization, and an improving mix of the personal care segment in the overall portfolio (~54% in 1QFY26 vs. ~47% in 1QFY25).
- We maintain our estimates for FY26/FY27 and value the stock at 17x FY27E EPS to arrive at our TP of INR280. **Reiterate BUY.**

Product mix continues to improve and boost operating performance

- EPL's revenue grew ~10% YoY to INR11b (in line). Gross margin expanded 70bp to 60%. EBITDA margin expanded 200bp YoY to 20.5% (est. 20.4%), led by improving margins in the Americas and Europe.
- The company's EBITDA stood at INR2.2b (est. in line), up 22% YoY. Adj. PAT grew 56% YoY to INR1b (in line).
- Revenue from the Americas/Europe/EAP/AMESA grew 13%/15%/10%/2% YoY to INR2.9b/INR2.7b/INR2.6b/INR3.7b.
- EBITDA margin improved 300bp/400bp for the Americas/Europe to 18.8%/17.9%, while EBITDA margin for AMESA remained flat at 19%, and that of EAP contracted 30bp YoY to 21.6%.
- EBITDA for Americas/Europe/EAP/AMESA grew 35%/52%/8%/2% YoY to INR551m/INR478m/INR420m/INR714m during the quarter.

Highlights from the management commentary

- **Guidance:** EPL expects to maintain double-digit revenue growth, with EBITDA growth expected to be higher than revenue growth, driven by strong traction in the Beauty and Cosmetics (BNC) segment and the anticipated recovery in the oral care segment.
- **Expansion:** EPL has doubled its capacity in the BNC segment in Brazil, and this expansion is expected to enable the company to onboard new clients in the region. The Thailand plant is set to commercialize from 2HFY26.
- **Personal care and beyond:** Management is actively pursuing M&A opportunities in the BNC segment, targeting both geographic and product expansion. The growth momentum in the BNC segment is expected to continue, led by new customer additions due to capacity expansions.

Valuation and view

- EPL continues to deliver healthy operating performance across geographies, supported by a favorable product mix, product innovations, an improving sustainable mix (38% of total volume), and continued capacity expansion. We expect this positive trend to continue.
 - With improved operational efficiencies, a focus on improving market share across geographies in the BNC segment, and a recovery in the Oral Care segment, we expect a CAGR of 9%/14%/22% in revenue/EBITDA/adjusted PAT over FY25-27. We value the stock at 17x FY27E EPS to arrive at our TP of INR280.
- Reiterate BUY.**

Highlights from the management commentary
Operating performance

- EPL delivered a strong revenue growth of 10.0% driven by double-digit growth in the Americas, Europe, and EAP.
- Strong momentum in 'Personal Care & beyond with ~28% growth powered by the growth of beauty and cosmetics (up 35% YoY)
- Margin expansion in America and Europe was driven by the successful execution of strategic initiatives.
- Recyclable volumes are scaling up rapidly, with sustainable tubes now accounting for over one-third of the portfolio.

Guidance and outlook

- Management remains confident of its double-digit revenue growth guidance, led by the company's strategic focus and execution discipline.
- EBITDA is expected to grow faster than revenue, with PAT projected to outpace EBITDA growth.

AMESA

- Strong growth in Beauty & Cosmetics is offsetting the softness in oral care demand.
- The management anticipates the Oral care segment to bounce back in 2HFY26
- Oral care is showing signs of improvement, which, along with sustained momentum in Beauty & Cosmetics, is expected to support growth going forward.
- In India, tube revenue growth outpaced overall growth, led by the improving demand for laminated tubes.

EAP

- Robust growth in the quarter was driven by strong performance across the portfolio.
- The Thailand greenfield plant remains on track for commercialization by the second half of FY26.
- The Thailand project was executed with the support of Indorama, which played a key role in securing necessary permits on time, enabling the project to stay on schedule.
- The capex for the Thailand facility is ~USD5m. The company plans to start at a smaller scale and gradually ramp up operations, with margins expected to be in line with those in other global regions.
- The company has a strong pipeline of products in the Beauty & Cosmetics category in Thailand and plans to commence operations quickly, with a fast ramp-up of product lines.
- Thailand is a significant tube market where EPL currently holds a small share, primarily serving the region through its China facility.
- Following the launch of the Thailand facility, the company will be well-positioned to service additional geographies such as Vietnam, Singapore, Malaysia, and Indonesia.

Americas

- Continued double-digit performance with strong revenue delivery across countries.
- The Brazil capacity expansion was completed by the end of 1QFY26.
- The region continues to witness strong momentum in the Beauty & Cosmetics segment.
- Brazil continues to deliver strong growth; the recently completed capacity expansion is expected to support the onboarding of additional customers.
- The Brazil plant has been operating at high utilization levels, with capacity in the Beauty & Cosmetics segment now doubled.

Europe

- Robust revenue growth of over 15% was driven by strong momentum in the Beauty & Cosmetics segment.
- The company has made key changes and strengthened its sales resources, which have begun to deliver tangible value to the business.
- The company is actively exploring M&A opportunities in Europe.
- The opportunity to expand business in this geography remains significant, given the company's currently low market share in the region.

Personal care and beyond

- The Personal Care and Beyond category, which includes Beauty & Cosmetics and Pharma, contributed 54% to the overall portfolio in 1QFY26.
- Management is actively pursuing M&A opportunities in the Beauty & Cosmetics segment, targeting both geographic and product expansion.
- Growth in the Beauty & Cosmetics segment is expected to continue, driven by its significant potential and the management's focus on disciplined execution.

- New customer acquisitions have been a key driver of growth in the Beauty & Cosmetics segment, and the company will continue to target smaller customers to further expand its market share.

Oral Care

- The decline in oral care was due to category softness in AMESA and a few other markets, but the management anticipates a bounce back in 2HFY26
- Toothpaste remains a resilient category; the current softness is viewed as temporary and is expected to rebound.

Others

- The company is well geographically diversified across its portfolio, and despite softness in certain regions, it remains confident in achieving its overall growth objectives.
- The tax rate for the quarter may be impacted by the revenue mix, with an expected range of 18-20%, largely depending on the geographical distribution of revenue.
- This year, the overall tax rate could be slightly lower due to a higher contribution from low-tax geographies.
- The company only imports laminates into the U.S., and any cost increases are passed on to customers through contractual agreements.
- There is no competition with Indorama, as both companies operate in different product segments and instead share synergistic opportunities.
- The company plans to incur a CAPEX of ~INR3.5b-INR4b, roughly equal to the depreciation.

Valuation and view

- EPL continues to deliver healthy operating performance across geographies, supported by a favorable product mix, product innovations, an improving sustainable mix (38% of total volume), and continued capacity expansion. We expect this positive trend to continue.
- With improved operational efficiencies, a focus on improving market share across geographies in the BNC segment, and a recovery in the Oral Care segment, we expect a CAGR of 9%/14%/22% in revenue/EBITDA/adjusted PAT over FY25-27. We value the stock at 17x FY27E EPS to arrive at our TP of INR280. **Reiterate BUY.**

Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at <http://online.reports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf>

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts"), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, nor its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
