Quarterly Update/Target price/Rating change

Mahindra Lifespace Developers

Strength anticipated in Q4

Strong operational performance

India | Real Estate

Mahindra Lifespace Developers (MLIFE IN) achieved a quarterly sales of INR 4.4bn, with volume of 0.37mn sqft. Sales value showed a drop of 3% QoQ and 2% YoY. It launched 0.62msft of saleable area at Mahindra Citadel – Phase 2 in Pune and Happinest Palghar 2 – Phase 2, which received good traction. Average realization soared 45% QoQ and 62% YoY, led by the increased sales of premium inventory in the sales mix. Revenue from operations was INR 820mn, down 56% YoY but up 361% QoQ. To the total, the residential segment contributed INR 807mn and IC & IC segment INR 13mn.

Integrated cities and industrial cluster segment – Milestone quarter

The Integrated Cities & Industrial Cluster segment experienced a sluggish first half (H1), but saw significant improvement in Q3, marking Q3 the most successful quarter to date. MLIFE secured a land leasing of 77.4acres, generating a lease income of INR 2,238mn, at ~7x of Q2FY24 and ~3.2x of Q3FY23 level. This achievement is attributed to the robust performance of MWC Jaipur, which leased ~60 acres of land in Q3.

Promising project pipeline for Q4FY24

MLIFE saw a robust launch pipeline for the final quarter of the fiscal year. Recently, it obtained RERA approvals for Mahindra Vista (Kandivali project), with the first phase comprising INR 12bn worth of premium housing inventory (scheduled for a launch in Q4). Additionally, projects in Wagholi Pune, Hosur Road Bengaluru, and Lakefront Phase 2 Chennai are slated for launch in Q4, collectively amounting to an inventory of ~INR 14.5bn. The Malad Redevelopment Project is also in the pipeline, although it could be rolled over to Q1FY25.

Valuation: Revise to Accumulate with a higher TP of INR 614

MLIFE is geared to seize mega business development opportunities. The positive progress on the Thane land parcel, strong launch pipeline with huge captive land bank offer robust operational visibility in the medium term. Due to delayed project deliveries, we pare our revenue by 17% for FY24E and 20% for FY25E and introduce FY26E. So, we revise to Accumulate from Buy but at a higher TP of INR 614 from INR 588, on 1.25x one-year forward NAV.

Rating: Accumulate

Target Price: INR 614

Upside: 8%

CMP: INR 567 (as on 2 February 2024)

Conference Call - Highlights

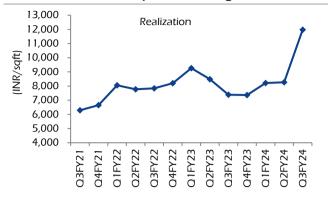

- During beginning-O3FY24, MLIFE launched Mahindra Citadel – Phase 2 in Pune, which comprised larger units (3 & 4BHKs), and received good traction (~40% of the inventory has been sold out). The next phase of Citadel may be launched in the next fiscal year.
- In Q3, MLIFE acquired a new project at Wagholi, Pune, spread across 5.4acres, with a developable area of 1.53msf. The RERA for the project is already received. The project has total GDV of INR 14bn and ~INR 7bn inventory of the project may be launched in Q4.
- Lakefront Estates, a plotted project in Chennai, launched in H1FY24, has been sold out. The second phase of the project may be launched in Q4FY24.
 RERA approvals are expected soon (~0.05msf or ~INR 2,500mn of inventory should come to the market soon).
- More plotted projects may be launched in the next 24 months in Chennai as well as in other locations.
- MLIFE's focus cities are MMR, Pune and Bengaluru.
 Out of the total business development pipeline (excluding Thane Project), 20% is in Pune, 20% in Bengaluru and the rest in Mumbai.
- Going forward, premium and mid premium segments may be in focus.
- For Ahmedabad Origins project, MLIFE is awaiting an anchor client (may take up 30-50 acres of land).

Disclosures & Confidentiality for non U.S. Investors

The Note is based on our estimates and is being provided to you (herein referred to as the "Recipient") only for information purposes. The sole purpose of this Note is to provide preliminary information on the business activities of the company and the projected financial statements in order to assist the recipient in understanding / evaluating the Proposal. Nothing in this document should be construed as an advice to buy or sell or solicitation to buy or sell the securities of companies referred to in this document. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved) and should consult its own advisors to determine the merits and risks of such an investment. Nevertheless, Elara Securities (India) Private Limited or any of its affiliates is committed to provide independent and transparent recommendation to its client and would be happy to provide any information in response to specific client queries. Elara Securities (India) Private Limited or any of its affiliates have not independently verified all the information given in this Note and expressly disclaim all liability for any errors and/or omissions, representations or warranties, expressed or implied as contained in this Note. The user assumes the entire risk of any use made of this information, Elara Securities (India) Private Limited or any of its affiliates, their directors and the employees may from time to time, effect or have effected an own account transaction in or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for or solicit investment banking or other business from any company referred to in this Note. Each of these entities functions as a separate, distinct and independent of each other. This Note is strictly confidential and is being furnished to you solely for your information. This Note should not be reproduced or redistributed or passed on directly or indirectly in any form to any other person or published, copied, in whole or in part, for any purpose. This Note is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject Elara Securities (India) Private Limited or any of its affiliates to any registration or licensing requirements within such jurisdiction. The distribution of this document in certain jurisdictions may be restricted by law, and persons in whose possession this document comes, should inform themselves about and observe, any such restrictions. Upon request, the Recipient will promptly return all material received from the company and/or the Advisors without retaining any copies thereof. The Information given in this document is as of the date of this report and there can be no assurance that future results or events will be consistent with this information. This Information is subject to change without any prior notice. Elara Securities (India) Private Limited or any of its affiliates reserves the right to make modifications and alterations to this statement as may be required from time to time. However, Elara Securities (India) Private Limited is under no obligation to update or keep the information current. Neither Elara Securities (India) Private Limited nor any of its affiliates, group companies, directors, employees, agents or representatives shall be liable for any damages whether direct, indirect, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. This Note should not be deemed an indication of the state of affairs of the company nor shall it constitute an indication that there has been no change in the business or state of affairs of the company since the date of publication of this Note. The disclosures of interest statements incorporated in this document are provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. Elara Securities (India) Private Limited generally prohibits its analysts, persons reporting to analysts and their family members from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. The analyst for this report certifies that all of the views expressed in this report accurately reflect his or her personal views about the subject company or companies and its or their securities, and no part of his or her compensation was, is or will be, directly or indirectly related to specific recommendations or views expressed in this report.

Any clarifications / queries on the proposal as well as any future communication regarding the proposal should be addressed to Elara Securities (India) Private Limited. It is important to note that any dispute with respect to this research report, would not have access to stock exchange investor redressal forum or arbitration mechanism.

Elara Securities (India) Private Limited was incorporated in July 2007 as a subsidiary of Elara Capital (India) Private Limited.

Elara Securities (India) Private Limited is a SEBI registered Stock Broker in the Capital Market and Futures & Options Segments of National Stock Exchange of India Limited [NSE], in the Capital Market Segment of BSE Limited [BSE] and a Depository Participant registered with Central Depository Services (India) Limited [CDSL].

Disclaimer for U.S. Investors

This material is based upon information that we consider to be reliable, but Elara Capital Inc. does not warrant its completeness, accuracy or adequacy and it should not be relied upon as such.

This material is not intended as an offer or solicitation for the purchase or sale of any security or other financial instrument. Securities, financial instruments or strategies mentioned herein may not be suitable for all investors. Any opinions expressed herein are given in good faith, are subject to change without notice, and are only correct as of the stated date of their issue. Prices, values or income from any securities or investments mentioned in this report may fall against the interests of the investor and the investor may get back less than the amount invested. Where an investment is described as being likely to yield income, please note that the amount of income that the investor will receive from such an investment may fluctuate. Where an investment or security is denominated in a different currency to the investor's currency of reference, changes in rates of exchange may have an adverse effect on the value, price or income of or from that investment to the investor. The information contained in this report does not constitute advice on the tax consequences of making any particular investment objectives, financial situations or needs and is not intended as a recommendation of particular securities, financial instruments or strategies to you. Before acting on any recommendation in this material, you should consider whether it is suitable for your particular circumstances and, if necessary, seek professional advice.

Certain statements in this report, including any financial projections, may constitute "forward-looking statements." These "forward-looking statements" are not guarantees of future performance and are based on numerous current assumptions that are subject to significant uncertainties and contingencies. Actual future performance could differ materially from these "forward-looking statements" and financial information.
