Persistent Systems Ltd

Good 2Q but priced-in the premium valuation

- Revenue was in line, while EBIT margin beat was aided by conclusion of costs.
- Deal-win yoy growth trajectory improvement & commentary were reassuring.
- Earnings adjustments and trimming of valuation multiples drives our TP lower.

2QFY26 results summary

Persistent Systems' (PSYS) 2QFY26 revenue at US\$406.2m (up 4.2% qoq and 17.6% yoy) was in line with estimates while the EBIT margin beat was helped by conclusion of the cost of software licenses for a large customer (+80bp). Improvement in deal-win yoy growth trajectory was encouraging, and management commentary was upbeat, pending any material deterioration in the macroeconomic environment. Going ahead, 1) banking financial services (BFSI) and hi-tech could be growth drivers based on the ramp-up of existing deals and pipeline followed by healthcare, 2) wage hike (-180bp) would be key headwind to 3QFY26F EBIT margin partly offset (~80bp) by operating efficiency, while 3) utilization could be in the range of 83-85% vs. 88.2% currently.

Deal growth trajectory improvement reassures but sustainability key

TCV growth (up 17% qoq and 15.2% yoy at US\$609.2m) was driven by renewals (up 40.6%/85.6% qoq/yoy at US\$258.4m) while new component (up 4.1% qoq but down 10% yoy at US\$250.8m) was soft, while sequential ACV growth (up 28.6%/16.4%/ qoq/yoy at US\$447.9m) was led by both new (up 20.1%/16.4% qoq/yoy at US\$254.4m) and renewals (up 11.5%/49.2% qoq/yoy at US\$193.5m). Robust pipeline and conversion confidence, pending material deterioration in the macroeconomic environment, was encouraging but remains a key monitorable and is critical to sustaining the growth momentum.

EBIT margin improvement likely to continue

The EBIT margin at 16.3% (up 77bp/228bp qoq/yoy) beat our estimate by 42bp. Nil software license cost for a specific customer engagement and unlikely to recur (80bp), cross-currency movement (60bp) & planned offshoring (30bp) were tailwinds, while higher debt provisioning (50bp) and a decline in utilization (20bp) were key headwinds. Wage hike for all employees, effective 1 Oct 2026, could impact 3QFY26F EBIT margin by ~180bp, while the net impact could be lower driven by tailwinds from offshoring, utilization improvement and rationalization of sub-contracting expenses, SG&A and ESOP costs.

Maintain HOLD rating with a lower TP of Rs5,778 vs. Rs6,863 earlier

We introduce FY28F and now expect ~16% US\$ revenue CAGR over FY25-28F, and ~21% PAT (Rs) CAGR. We shift our valuation methodology to P/E, vs. PE/G earlier, and discount FY28F EPS. We maintain HOLD rating and value Persistent Systems at 36x FY28F EPS to arrive at our lower target price of Rs5,778 (Rs6,863). The revision of multiple is to account for growth moderation, rising competitive intensity, and macroeconomic uncertainty. Upside risks: Strong bookings and M&A-led revenue acceleration. Downside risk: Client-specific challenges.

Key conference-call highlights

• Guidance:

- o Reiterates achieving US\$2bn revenue by FY27F.
- Expects a 100bp margin improvement each in FY26F and FY27F.
- **Demand environment:** Clients getting adapted to the macroeconomic uncertainty.

Vertical commentary:

- o Growth in Europe driven by ramp-up of a large hi-tech deal.
- BFSI growth aided by a large vendor consolidation deal against a Tier-I vendor.

Al and partnership:

- Leveraging SASVA, a GenAl digital engineering platform, to empower clients.
- o Filed incremental 20 new patents for SASVA, taking the total count to 75.
- Formed partnership with DigitalOcean, a provider of private cloud for Artificial Intelligence (AI) deployments.
- Partnered with Anthropic to accelerate solution across Al for technology and business.
- Integrating Al across internal functions via agentic framework called Persistent Assist.

Deal wins:

o Software, hi-tech & emerging

- Selected by a global cloud infrastructure provider to build and scale Al infrastructure platform using SASVA.
- Chosen by a global cybersecurity leader to drive end-to-end R&D for mature end-point security products and enable customer migration to next-generation products.
- To set-up an offshore R&D centre for developing and maintaining a critical grid technology platform for one of the world's largest energy technology companies.

o BFS

- Selected by a global financial technology platform to transform their tax and accounting software.
- Chosen by a leading global financial services company to transform its IT and business processes across product, engineering and operations.
- Selected by a leading global wealth management company to improve customer experience using leverage GenAI.

Healthcare and life sciences

 Modernizing digital presence for one of the world's largest healthcare companies.

- Selected by a leading US-based non-profit healthcare organization to consolidate imaging applications and strengthen data integrity to improve patient, radiologist and care-giver experience.
- Selected by a global leader in molecular diagnostic testing and precision medicine for integrating order management systems across core diagnostic products.
- Higher foreign exchange gains were led by currency depreciation.
- FY26F ETR to be in the 22.5%-23.5% range.
- Inaugurated a state-of-the-art experience transformation studio in Pune to accelerate Al-powered transformation.

DISCLAIMER

This report (including the views and opinions expressed therein, and the information comprised therein) has been prepared by Incred Research Services Private Ltd. (formerly known as Earnest Innovation Partners Private Limited) (hereinafter referred to as "IRSPL"). IRSPL is registered with SEBI as a Research Analyst vide Registration No. INH000011024. Pursuant to a trademark agreement, IRSPL has adopted "Incred Equities" as its trademark for use in this report.

The term "IRSPL" shall, unless the context otherwise requires, mean IRSPL and its affiliates, subsidiaries and related companies. This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject IRSPL and its affiliates/group companies to registration or licensing requirements within such jurisdictions.

This report is being supplied to you strictly on the basis that it will remain confidential. No part of this report may be (i) copied, photocopied, duplicated, stored or reproduced in any form by any means; or (ii) redistributed or passed on, directly or indirectly, to any other person in whole or in part, for any purpose without the prior written consent of IRSPL.

The information contained in this report is prepared from data believed to be correct and reliable at the time of issue of this report.

IRSPL is not required to issue regular reports on the subject matter of this report at any frequency and it may cease to do so or change the periodicity of reports at any time. IRSPL is not under any obligation to update this report in the event of a material change to the information contained in this report. IRSPL has not any and will not accept any, obligation to (i) check or ensure that the contents of this report remain current, reliable or relevant; (ii) ensure that the content of this report constitutes all the information a prospective investor may require; (iii) ensure the adequacy, accuracy, completeness, reliability or fairness of any views, opinions and information, and accordingly, IRSPL and its affiliates/group companies (and their respective directors, associates, connected persons and/or employees) shall not be liable in any manner whatsoever for any consequences (including but not limited to any direct, indirect or consequential losses, loss of profits and damages) of any reliance thereon or usage thereof.

Unless otherwise specified, this report is based upon reasonable sources. Such sources will, unless otherwise specified, for market data, be market data and prices available from the main stock exchange or market where the relevant security is listed, or, where appropriate, any other market. Information on the accounts and business of company(ies) will generally be based on published statements of the company(ies), information disseminated by regulatory information services, other publicly available information and information resulting from our research. While every effort is made to ensure that statements of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable as of the date of the document in which they are contained and must not be construed as a representation that the matters referred to therein will occur. Past performance is not a reliable indicator of future performance. The value of investments may go down as well as up and those investing may, depending on the investments in question, lose more than the initial investment. No report shall constitute an offer or an invitation by or on behalf of IRSPL and its affiliates/group companies to any person to buy or sell any investments.

The opinions expressed are based on information which is believed to be accurate and complete and obtained through reliable public or other non-confidential sources at the time made (information barriers and other arrangements may be established, where necessary, to prevent conflicts of interests arising. However, the analyst(s) may receive compensation that is based on his/their coverage of company(ies) in the performance of his/their duties or the performance of his/their recommendations. In reviewing this report, an investor should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest. Additional information is, subject to the duties of confidentiality, available on request. The report is not a "prospectus" as defined under Indian Law, including the Companies Act, 2013, and is not, and shall not be, approved by, or filed or registered with, any Indian regulator, including any Registrar of Companies in India, SEBI, any Indian stock exchange, or the Reserve Bank of India. No offer, or invitation to offer, or solicitation of subscription with respect to any such securities listed or proposed to be listed in India is being made, or intended to be made, to the public, or to any member or section of the public in India, through or pursuant to this report.

The research analysts, strategists or economists principally responsible for the preparation of this research report are segregated from the other activities of IRSPL. Information barriers and other arrangements have been established, as required, to prevent any conflicts of interests.

The research analysts, strategists or economists principally responsible for the preparation of this research report are segregated from the other activities of IRSPL. Information barriers and other arrangements have been established, as required, to prevent any conflicts of interests.

IRSPL may have issued other reports (based on technical analysis, event specific, short-term views, etc.) that are inconsistent with and reach a different conclusion from the information presented in this report.

Holding of Analysts/Relatives of Analysts, IRSPL and Associates of IRSPL in the covered securities, as on the date of publishing of this report

Research Analyst or his/her relative(s) or InCred Research Services Private Limited or our associate may have any financial interest in the subject company.

Research Analyst or his/her relatives or InCred Research Services Limited or our associates may have actual or beneficial ownership of 1% or more securities of the subject company(ies) at the end of the month immediately preceding the date of publication of the Research Report.

Research Analyst or his/her relative or InCred Research Services Private Limited or our associate entities may have any other material conflict of interest at the time of publication of the Research Report.

In the past 12 months, IRSPL or any of its associates may have:

- b) Managed or co-managed public offering of securities for the subject company,
- c) Received compensation for investment banking or merchant banking or brokerage services from the subject company,
- d) Received compensation for products or services other than investment banking or merchant banking or brokerage services from the subject company

We or our associates may have received compensation or other benefits from the subject company(ies) or third party in connection with the research report.

Research Analyst may have served as director, officer, or employee in the subject company.

We or our research analyst may engage in market-making activity of the subject company.

Analyst declaration

- The analyst responsible for the production of this report hereby certifies that the views expressed herein accurately and exclusively reflect his
 or her personal views and opinions about any and all of the issuers or securities analysed in this report and were prepared independently and
 autonomously in an unbiased manner.
- No part of the compensation of the analyst(s) was, is, or will be directly or indirectly related to the inclusion of specific recommendations(s) or view(s) in this report or based on any specific investment banking transaction.
- The analyst(s) has(have) not had any serious disciplinary action taken against him/her(them).
- The analyst, strategist, or economist does not have any material conflict of interest at the time of publication of this report.
- The analyst(s) has(have) received compensation based upon various factors, including quality, accuracy and value of research, overall firm
 performance, client feedback and competitive factors.

IRSPL and/or its affiliates and/or its Directors/employees may own or have positions in securities of the company(ies) covered in this report or any securities related thereto and may from time to time add to or dispose of, or may be materially interested in, any such securities.

IRSPL and/or its affiliates and/or its Directors/employees may do and seek to do business with the company(ies) covered in this research report and may from time to time (a) buy/sell the securities covered in this report, from time to time and/or (b) act as market maker or have assumed an underwriting commitment in securities of such company(ies), and/or (c) may sell them to or buy them from customers on a principal basis and/or (d) may also perform or seek to perform significant investment banking, advisory, underwriting or placement services for or relating to such company(ies) and/or (e) solicit such investment, advisory or other services from any entity mentioned in this report and/or (f) act as a lender/borrower to such company and may earn brokerage or other compensation. However, Analysts are forbidden to acquire, on their own account or hold securities (physical or uncertificated, including derivatives) of companies in respect of which they are compiling and producing financial recommendations or in the result of which they play a key part.
