Weak quarter; disbursements and loan growth remain muted

GS3 improved ~1pp QoQ aided by an ARC transaction; credit costs elevated IndoStar Capital Finance (IndoStar) delivered a weak performance in 2QFY26, with muted disbursements and weak AUM growth as it continued to follow tightened underwriting norms and prioritized asset quality. However, the company expects growth momentum to pick up in 2HFY26, supported by improving business activity and a gradual revival in demand.

Key highlights: 1) Disbursements declined ~46% YoY and grew 8% QoQ to ~INR9.3b and standalone AUM was flat YoY and declined 3% QoQ to INR75.6b; 2) Credit costs stood at INR586m (PY: INR193m) 2) IndoStar sold a stressed CV portfolio of INR3.1b to an ARC for a consideration of INR2.2b, 3) NIM (calc.) expanded ~130bp QoQ driven by decline in CoB, and 5) opex optimization will be the most important theme in FY26, given that management targets to bring down the cost-to-income ratio to ~50% (from ~64%) over the medium term.

Financial highlights

- 2QFY26 PAT declined 67% YoY to INR105m. NII grew ~40% YoY to INR1.5b. Other income stood at INR396m (PQ: ~INR290m). Opex declined ~5% YoY to INR1.2b, translating into a cost-to-income ratio of ~64% in 2QFY26 (PY: 77% and PQ: 88%).
- PPOP grew ~86% YoY to INR692m. Credit costs stood at ~INR586m (PQ: ~INR193m), which translated into annualized credit costs of ~3% (PY: ~1%).
- AUM stood at ~INR75.6b and was flat YoY. VF AUM was flat YoY and declined 3% QoQ to INR70.3b due to weak disbursements and sale of stressed portfolio to an ARC.
- Micro-LAP AUM grew ~33% QoQ to INR1b. Disbursements in micro-LAP was flat QoQ at INR270m. LTV in this segment stood at 34.4% as of Sep'25.
- Management shared that disbursements in 2HFY26 are expected to be around 1.4-1.5x of 1H levels, indicating stronger seasonality-led momentum in the upcoming quarters. The micro-LAP segment will also likely see a rebound in 2HFY26, following a temporary slowdown after Mar'25.
- We estimate a CAGR of 11%/86% in AUM/PAT over FY25-28, aided by improvements in NIM to 8.6%/10.4% in FY26E/FY27E. Maintain BUY with a TP of INR285 (premised on 1x Sep'27E BVPS).

AUM was flat YoY; disbursements declined 38% YoY in VF

- Disbursements declined ~46% YoY and grew 8% QoQ to ~INR9.3b. Vehicle finance (VF) disbursements declined ~38% YoY to INR9b.
- Management shared that micro-LAP will be a key growth driver for IndoStar, supported by the appointment of a seasoned COO (with over 25 years of experience in the segment). The company has expanded its operations beyond Tamil Nadu by commencing disbursements in Andhra Pradesh and has strengthened its team with senior professionals possessing deep local market expertise.

Abhijit Tibrewal - Research Analyst (Abhijit.Tibrewal@MotilalOswal.com)

Research Analyst: Nitin Aggarwal (Nitin.Aggarwal@MotilalOswal.com) | Raghav Khemani (Raghav.Khemani@MotilalOswal.com)

IndoStar plans to further scale its micro-LAP business in Tier-5 towns through smaller ticket sizes and a lean operating model and targets to be present across 3-4 states by the end-FY26.

GS3 declines ~1pp driven by sale of stressed CV portfolio to ARC

- Asset quality exhibited improvement, with standalone GNPA declining ~1pp QoQ to ~3.05% and standalone NNPA declining ~55bp QoQ to ~1.4%. The improvement in GNPA was primarily driven by the sale of a stressed portion of the CV portfolio to an ARC, involving a principal outstanding of INR3.1b, against which the company realized ~INR2.2b.
- Management shared that loans originated under the revised policy framework are performing much better with lower delinquency rates and with 30+dpd at nearly half the levels relative to what was seen in the past.
- Collection efficiency (including overdue) stood at ~94% (PQ: ~94%). CRAR was healthy at ~37.2% and the debt-equity ratio stood at 1.4x.

Key highlights from the management commentary

- The company is leveraging existing VF infrastructure to expand micro-LAP presence, resulting in minimal incremental capex.
- Forward flows and early delinquencies continue to trend downward, supported by proactive collection and monitoring mechanisms.
- The company plans to convert 48 micro-branches (currently operating with one sales staff) into full-fledged branches, which will result in further improvement in its growth momentum.

Valuation and View

- IndoStar delivered a weak performance in 2QFY26, with muted disbursements and weak AUM growth as it continued to follow tightened underwriting norms and prioritized asset quality. However, the company expects growth momentum to pick up in 2HFY26, supported by improving business activity, gradual revival in demand and improvement in forward flows, leading to better asset quality.
- IndoStar has prioritized the expansion of its loan book in the used CV segment and micro-LAP. A reinforced management team, enhanced processes, opex rationalization and expectations of an improvement in the economic climate will serve as catalysts for IndoStar. Maintain BUY rating on the stock with a TP of INR285 (premised on 1x Sep'27E BVPS).

Highlights from the management commentary

Business performance

- The company has successfully transitioned from a corporate-focused lender to a retail-oriented NBFC, emphasizing vehicle finance and micro-LAP segments.
- The sale of its subsidiary, Niwas Housing, has enabled management to sharpen its focus on vehicle finance and micro-LAP businesses, ensuring efficient capital allocation and better strategic clarity.
- Vehicle finance disbursements grew by 8% QoQ.
- Historically, disbursements in the second half of the year is 1.4-1.5x of 1H levels, suggesting stronger seasonality-driven momentum in upcoming quarters.
- The company achieved significant diversification within vehicle finance, reducing dependence on MHCVs with MHCV now contributing only one-third of total disbursements while scaling up LCV, SCV, car, and bus segments.
- Loans originated under the revised policy framework are performing significantly better, with 30+ DPD and delinquency levels now about half of earlier levels.
- Portfolio growth is supported by several operational improvements, including better sourcing quality, enhanced credit filters, and strengthened collection processes.
- Management acknowledged that while disbursement growth is tracking slightly below internal guidance, it will try to compensate the same in 2HFY26

Financial Highlights

- Retail disbursements stood at INR9.3b in 2QFY26 vs. INR8.6b in 1QFY26, indicating sequential improvement. Disbursement yields stood at 17.8%, aided by higher share of business from tier-3 and tier-4 towns and growing share of lower-ticket secured loans
- During the quarter, the company sold stress portion of CV portfolio to an ARC. The transaction involves dues amounting to INR3.1b, which were sold for INR2.2b. The ARC transaction was a strategic step aligned with newly adopted policy to write-off loans over 210dpd with an aim of maintaining high quality book and keep headline GNPA under control.
- Forward flows from the 210+ dpd bucket are expected to trend downward, supported by stronger underwriting and recovery efforts.
- Asset quality improved during the quarter, with GNPA trending lower due to portfolio clean-up and disciplined recovery efforts.
- The company maintains comfortable leverage at 1.4x D/E, providing ample headroom for growth.
- NIMs rose to 7.6% from 6.2% in 1QFY26.

Asset quality and risk management

- During 4Q, the company highlighted proactive credit policy adjustment taken in response to collection softness. Loan originated under the revised policy framework are performing much better including lower delinquency rates with 30+dpd at nearly half the levels seen in the past.
- In future, the company will continue to strengthen credit policies if required which will improve portfolio performance reduce credit costs.

- The company now targets a headline GNPA of around 3%.
- Forward flows and early delinquencies continue to trend downward, supported by proactive collection and monitoring mechanisms.

Growth and branch expansion

- The total branch count has remained broadly stable, with minor consolidation to improve productivity.
- The company plans selective branch openings in Tamil Nadu and Kerala while stabilizing productivity across the existing network.
- The company plans to convert 48 micro-branches (with single sales staff) into full-fledged branches, which will result in further improving growth momentum.
- This transition will also increase the overall employee base as new sales personnel are being onboarded.
- Focus remains on improving operating productivity and stabilizing branch economics before large-scale expansion.

Borrowing and cost of funds

- The company's cost of funds declined from 10.8% to 10.2% YoY (a 60bp reduction), reflecting improved funding mix and better market access.
- Incremental borrowings are being sourced at 9-9.25%, which should help further reduce the overall CoF in the coming quarters.
- Some of the higher-cost borrowings have already been repaid, and the remainder are expected to be retired by next quarter.
- The company remains focused on lowering borrowing costs and diversifying its lender base.

Micro-LAP

- Micro-LAP continues to be a strong growth engine for Indostar. The company onboarded an experienced business head as COO with over 25 years in the segment.
- Disbursements have been initiated in Andhra Pradesh, expanding beyond Tamil Nadu. The company has hired senior professionals with deep experience in micro markets of the state. The company plans to scale further into tier-5 towns with smaller ticket sizes and a structurally efficient model. The company plans to be present in 3-4 states by FY26 end.
- The micro-LAP business is expected to witness significant momentum in 2HFY26 after a temporary slowdown after March.
- The company is leveraging existing vehicle finance infrastructure to expand micro-LAP presence, resulting in minimal incremental capex.
- A dedicated local team of over 300 people focuses exclusively on the micro-LAP business in Tamil Nadu, operating through shared branch networks for cost efficiency.
- The company has a strong presence across tier-3 and tier-4 towns in southern states, where micro-LAP potential remains significant.
- The company aims to increase the share of micro-LAP to 20-30% of the overall AUM mix over a period of time.

Used vehicle finance

- Vehicle disbursements grew 8% QoQ, with stronger momentum expected in 2HFY26.
- After tightening credit policies last year due to emerging stress, the company now observes steady improvement in asset quality and borrower performance.
- With cost of funds reducing, the company plans to increase exposure to prime used-vehicle customers, supporting yield and risk balance.
- Management noted that used vehicle prices are expected to soften if new vehicle prices decline.

Macro trends

- Credit growth remains robust across retail and MSME segments, supported by resilient consumption trends and improved borrower confidence.
- The NBFC sector is expected to register 15-17% growth in FY26, led by sustained traction in micro-lending, MSME, and retail finance segments.
- As per ICRA, overall commercial vehicle (CV) volumes are projected to grow by 3-5% in FY26, primarily driven by higher demand for small and light commercial vehicles (SCL and LCV), while demand for MHCVs is expected to remain moderate.
- Used vehicle demand continues to strengthen, aided by better resale value realization, strong replacement demand, and affordability compared to new vehicles.
- Micro-LAP segment is expected to grow by around 25% in FY26, driven by deeper penetration in semi-urban and rural areas and increased participation of smaller NBFCs.

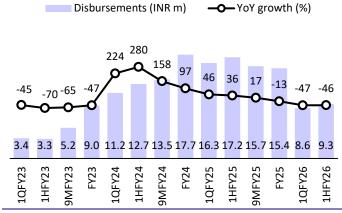

Others

- Collection efficiency continues to improve, with expectations of further strengthening in 2HFY26.
- Over time, the company intends to roll out micro-LAP products across most of its vehicle finance branches and gradually scale the segment to 20-30% of total AUM.
- Focus remains on sustaining high governance standards, expanding as a multiproduct retail NBFC, and balancing growth with prudent risk management.

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412 and BSE enlistment no. 5028. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products and is a member of Association of Portfolio Managers in India (APMI) for distribution of PMS products. Details of associate entities of Motilal Oswal Financial Services Ltd.

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx. As per Regulatory requirements, Research Audit Report is uploaded on www.motilaloswal.com > MOFSL-Important Links > MOFSL Research Analyst Compliance Audit Report.

A graph of daily closing prices of securities is available at www.nseindia.com, <a href="www.nseindia.co Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S. Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the"1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International

Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

Nainesh

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
