General Disclosures: This Research Report (hereinafter called "report") has been prepared by Arete Securities and is meant for sole use by the recipient and not for circulation. This Report does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. The recommendations, if any, made herein are expression of views and/or opinions and should not be deemed or construed to be neither advice for the purpose of purchase or sale of any security, (as defined under section 2(h) of securities Contracts (Regulation) Act, 1956, through Arete Securities nor any solicitation or offering of any investment/trading opportunity on behalf of the issuer(s) of the respective security (ies) referred to herein. Recipients of this Report should rely on information/data arising out of their own investigations. Readers are advised to seek independent professional advice and arrive at an informed trading/investment decision before executing any trades or making any investments.

This Report has been prepared on the basis of publicly available information, internally developed data and other sources believed by Arete Securities to be reliable, although its accuracy and completeness cannot be guaranteed. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. Any review, retransmission or any other use is prohibited.

The information, opinions, views expressed in this Research Report are those of the research analyst as at the date of this Research Report which are subject to change and do not represent to be an authority on the subject. While we would endeavor to update the information herein on a reasonable basis, we are under no obligation to update the information. Also, there may be regulatory, compliance or other reasons that prevent us from doing so. Hence all such information and opinions are subject to change without notice.

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients that reflect opinions that are contrary to the opinions expressed herein, and our proprietary trading and investing businesses may make investment decisions that may be inconsistent with the recommendations expressed herein.

This Research Report should be read and relied upon at the sole discretion and risk of the recipient. If you are dissatisfied with the contents of this complimentary Research Report or with the terms of this Disclaimer, your sole and exclusive remedy is to stop using this Research Report. Neither Arete Securities nor its affiliates or their respective directors, employees, agents or representatives shall be responsible or liable in any manner, directly or indirectly, for the losses or the damages sustained due to the investments made or any action taken on basis of this report, including but not restricted to, fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

Compensation of our Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Arete Securities may have issued other reports in the past that are inconsistent with and reach different conclusion from the information presented in this report.

Arete Securities, its affiliates and employees may, from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report.

The user should consult their own advisors to determine the merits and risks of investment and also read the Risk Disclosure Documents for Capital Markets and Derivative Segments as prescribed by Securities and Exchange Board of India before investing in the Indian Markets.
