Fundamental Outlook

Global Market Setup

- **US Markets ended flat**, as market participants contemplated planned three-way talks among Russia, Ukraine and the U.S. to end the war in Ukraine, which could lead to an end to sanctions on Russian crude and also await outcome of the Federal Reserve's annual symposium in Jackson Hole.
- **European markets** ended the day **on a mixed note**
- Dow futures is currently trading **25 points lower (-0.1%)**
- **Asian markets** are mostly trading **mixed**

Global Cues: Muted

Indian Market Setup

- **Indian equity markets** witnessed a strong rebound, following the Prime Minister's announcement of second-generation GST reforms in his Independence Day address. This triggered broad-based buying led by Auto, Consumer Durables and Financial stocks.
- **Nifty50 surged 246 points to close at 24,877 (+1%)**
- **Nifty Midcap100 and Smallcap100 were up by 1.0% each.**
- **FIIs: +₹550cr; DIIs: +₹4,103cr**
- **GIFT Nifty is trading flat**

Domestic Cues: Positive

Stocks in News

19-Aug-25

Reliance Ind: Reliance Consumer Products, the FMCG subsidiary of Reliance Industries, has forayed into the healthy functional beverage space through the acquisition of a majority stake in a joint venture with Naturedge Beverages. Through this JV, Reliance Consumer Products aims to offer consumers a range of herbal-natural beverages.

View: Positive

Trent: Burnt Toast, the youth-focused fashion label from Trent, has made its debut in Gujarat with the launch of its first-ever store in Surat.

View: Positive

IPO Listing: BlueStone Jewellery

Fundamental Actionable Idea

19-Aug-25

Bharti Airtel

CMP INR1892, TP INR2285, 21% Upside, Buy

- Reliance Jio discontinues its entry-level 1 GB per day plan of Rs 209 for 22 days and Rs 249 for 28 days. This will indirectly raise tariffs by 20%, leading to improvement in ARPU
- Bharti Airtel will follow soon and we like Bharti given its superior execution on the premiumization agenda. In addition, with moderation in capex intensity and a potential tariff hike, Bharti is likely to generate significant FCF (~INR1t over FY26-27E), which should lead to further deleveraging and improvement in shareholder returns.
- We expect 14%/17% CAGR in Bharti's consol. revenue/EBITDA over FY25-28E due to 1) benefits of ~15% tariff hike in India wireless from Dec'25, 2) continued acceleration in home broadband net adds, and 3) robust double-digit growth in Africa.

View: Buy

Fundamental Actionable Idea

19-Aug-25

Bharat Electronics

CMP INR382; TP INR 490; Upside 28%, BUY

- Co will manufacture defense missile system for the army - project kush will include 4 missile variants - trial of the first variant will be completed within the next one year
- With a record-high order book of INR749b and Q1 inflows of INR76b (+53% YoY), BEL is strategically positioned to benefit from high-value defense programs like QRSAM (INR250b), MF-STAR radar, LCA Mk1A, & electronic warfare systems.
- Execution of multiple large-scale projects in FY26 is expected to support BEL's targeted >15% revenue growth. Export prospects and indigenisation-led orders further enhance its long-term revenue visibility. We estimate revenue/EBITDA/PAT CAGR of 18%/17%/17% over FY25–28E.

View: Buy

MO Sector Update – Consumer

19-Aug-25

Buy: Hindustan Unilever (TP ₹3,000), Godrej Consumers (TP ₹1,400) and Marico (TP ₹825)

- On Aug 15, 2025, PM Narendra Modi announced plans to rationalize GST rates, aiming to boost consumption. The government is expected to propose a simplified two-slab structure (5% and 18%) replacing the current multi-tier system, with discussions slated for Sep-Oct GST Council meetings.
- A consumption revival will also be positive for discretionary companies, but since FMCG companies have been impacted the most and the ask rate has gone down significantly, the sensitivity looks superior for FMCG companies. FMCGs are preparing to capitalize on rising consumption through targeted new launches focused on mass consumers
- With improving demand trends and company-led growth initiatives, we expect volume recovery in 2HFY26, driving volume-led revenue growth across the sector. We continue to like HUL (TP:₹3,000), Godrej Consumers (TP:₹1,400) and Marico(TP:₹825) in our consumer universe.

Quant Outlook

Quant Intraday Sell Ideas

What is this?

Based on technical indicators this strategy gives 2 stocks that have a high likelihood to fall during the day (from open to close). This is an intraday Sell strategy which can provide a good cushioning during a black swan event

Today's **Sell** Ideas:

Stock Names	Close Price	SL (1%)	TP (1%)
OIL (Sell)	401.5	405.5	397.4
TATACOMM (Sell)	1673.4	1690.1	1656.7

What are the rules?

- Stock names will be given at market open (9:15 am)
- Recommended time to entry: between 9:15 to 9:30 am.
- Entry: We short 2 stocks daily (intraday)
- Exit: we will exit at 3:15 as this is an intraday call
- SL: is placed at 1% of the open.
- Book profit: At 1% fall since open. In special situations the book profit might be delayed if the stock is in free fall.

- d. Received compensation for products or services other than investment banking or merchant banking or brokerage services from the subject company of this research report.
- MOFSL and its associates have not received any compensation or other benefits from the subject company or third party in connection with the research report.
- Subject Company may have been a client of MOFSL or its associates during twelve months preceding the date of distribution of the research report.
- Research Analyst may have served as director/officer/employee in the subject company.
- MOFSL and research analyst may engage in market making activity for the subject company.

MOFSL and its associate company(ies), and Research Analyst and their relatives from time to time may

a) a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein.

(b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market

maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst (are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

Above disclosures include beneficial holdings lying in demat account of MOFSL which are opened for proprietary investments only. While calculating beneficial holdings, It does not consider demat accounts which are opened in name of MOFSL for other purposes (i.e holding client securities, collaterals, error trades etc.). MOFSL also earns DP income from clients which are not considered in above disclosures.

To enhance transparency, MOFSL has incorporated a Disclosure of Interest Statement in this document. This should, however, not be treated as endorsement of the views expressed in the report. MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Analyst Certification

The views expressed in this research report accurately reflect the personal views of the analyst(s) about the subject securities or issues, and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views

expressed by research analyst(s) in this report. Disclosure of Interest Statement

Analyst ownership of the stock No

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm’s length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to subject company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions. For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY 301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) “SFO”. This report is intended for distribution only to “Professional Investors” as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors.” Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where the offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

Investment in securities market are subject to market risks, read all the related documents carefully before investing.

For U.S.

MOTILAL Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the"1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets Singapore Pte Ltd (“MOCMSPL”) (Co.Reg. NO. 201129401Z) which is a holder of a capital markets services license and an exempt financial adviser in Singapore, as per the approved agreement under Paragraph 9 of Third Schedule of Securities and Futures Act (CAP 289) and Paragraph 11 of First Schedule of Financial Advisors Act (CAP 110) provided to MOCMSPL by Monetary Authority of Singapore. Persons in Singapore should contact MOCMSPL in respect of any matter arising from, or in connection with this report/publication/communication. This report is distributed solely to persons who qualify as “Institutional Investors”, of which some of whom may consist of "accredited" institutional investors as defined in section 4A(1) of the Securities and Futures Act, Chapter 289 of Singapore (“the SFA”).

Accordingly, if a Singapore person is not or ceases to be such an institutional investor, such Singapore Person must immediately discontinue any use of this Report and inform MOCMSPL.

Disclaimer:

This report is intended for distribution to Retail Investors.

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
