Defence shines; EPC sees drop in inflows

Q3 inflows at INR 286bn, down 33% YoY on strong base

Major capital goods (CG) companies, excluding L&T, have announced orders with cumulative worth of INR 286bn in Q3FY24, down 33% YoY. Excluding a large order worth INR 260bn for 1,200 nos. 9,000 HP locomotive order in the base quarter, inflows in Q3FY24 rose 73% YoY. Order inflows from Defence PSUs rose 13.7x YoY to INR 177bn in Q3, driven by uptick in awarding by the government.

Bharat Electronics (BHE IN) saw a whopping INR 122bn inflow in Q3. Ex-Defence, inflows were led by Power – Thermal power and transmission & distribution (domestic & overseas), and water projects. Rail & metro rolling stock and civil inflows witnessed a slowdown amid delayed awarding in domestic and international orders.

Elara CG universe – Q3FY24E sales may rise 18% YoY

Expect Elara CG universe's Q3FY24E revenue to grow 18% YoY, on healthy industrial demand, robust order book and better execution amidst improved supply chain. Siemens' Q1FY24E and ABB India's Q4CY24E revenue may surge 21%/16%, on higher order book and ease of supply chain. Thermax' Q3FY24E revenues may rise 16% on better execution across segments. KEI Industries' Q3E revenues may surge 17% YoY on robust infra demand in wires & cables. KECI's revenues may grow 16%, led by T&D and civil. Voltas' revenue may rise 21% YoY due to pick-up in room air conditioner (RAC) space ahead of the summer season. Cummins' Q3E revenue could drop 1% YoY as demand is yet to stabilize for the new energy norm (CPCB IV) power gensets.

Garden Reach Shipbuilders & Engineers' Q3E revenues may rise 60% YoY as it yields higher realization in the bell-curve phase. **Bharat Dynamics'** revenue may rise 60% on execution pick-up from Q3FY24. **Bharat Electronics'** revenue may rise 29% due to spill-over of LRSAM order from Q2. **Hindustan Aeronautics'** revenue could jump 7% and **BEML's** revenues may rise just 3% YoY amid delay in Mumbai metro order. **RITES's** Q3E revenues could fall 1% YoY amid drop in export realization and higher competition in quality assurance.

Consumer Electricals/Electronics – EMS, cables and RAC, key wins

Consumer Electricals/Electronics plays may see a 30% revenue growth YoY in Q3E, likely in anticipation of good summers for RAC, decent festive season demand, and execution of rising order book of electronics manufacturing service (EMS) companies. **Dixon's** Q3E revenue may grow 86% YoY on higher mobile phone volumes. **Kaynes'** Q3E revenue may spike 60% on robust order book. **Amber Enterprises'** Q3E revenue may rise 19%, led by uptick in RAC segment and non-RAC components. **V-Guard's** revenue may grow 15%, led by healthy cables demand and *Sunflame's* portfolio addition. **Havells'** Q3E revenue could rise 13% YoY on strong growth in Lloyd (RAC) and wires & cables. **Eureka Forbes'/Crompton's** Q3E revenue may grow 9%/8%.

We prefer Bharat Dynamics, Eureka Forbes, Hindustan Aeronautics, Amber Enterprises, Bharat Electronics, Crompton Greaves Consumer, Cummins India, Havells India, KEC International, KEI Industries, Siemens, V-Guard Industries, and Voltas.

Disclosures & Confidentiality for non U.S. Investors

The Note is based on our estimates and is being provided to you (herein referred to as the "Recipient") only for information purposes. The sole purpose of this Note is to provide preliminary information on the business activities of the company and the projected financial statements in order to assist the recipient in understanding / evaluating the Proposal. Nothing in this document should be construed as an advice to buy or sell or solicitation to buy or sell the securities of companies referred to in this document. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved) and should consult its own advisors to determine the merits and risks of such an investment. Nevertheless, Elara Securities (India) Private Limited or any of its affiliates is committed to provide independent and transparent recommendation to its client and would be happy to provide any information in response to specific client queries. Elara Securities (India) Private Limited or any of its affiliates have not independently verified all the information given in this Note and expressly disclaim all liability for any errors and/or omissions, representations or warranties, expressed or implied as contained in this Note. The user assumes the entire risk of any use made of this information, Elara Securities (India) Private Limited or any of its affiliates, their directors and the employees may from time to time, effect or have effected an own account transaction in or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for or solicit investment banking or other business from any company referred to in this Note. Each of these entities functions as a separate, distinct and independent of each other. This Note is strictly confidential and is being furnished to you solely for your information. This Note should not be reproduced or redistributed or passed on directly or indirectly in any form to any other person or published, copied, in whole or in part, for any purpose. This Note is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject Elara Securities (India) Private Limited or any of its affiliates to any registration or licensing requirements within such jurisdiction. The distribution of this document in certain jurisdictions may be restricted by law, and persons in whose possession this document comes, should inform themselves about and observe, any such restrictions. Upon request, the Recipient will promptly return all material received from the company and/or the Advisors without retaining any copies thereof. The Information given in this document is as of the date of this report and there can be no assurance that future results or events will be consistent with this information. This Information is subject to change without any prior notice. Elara Securities (India) Private Limited or any of its affiliates reserves the right to make modifications and alterations to this statement as may be required from time to time. However, Elara Securities (India) Private Limited is under no obligation to update or keep the information current. Neither Elara Securities (India) Private Limited nor any of its affiliates, group companies, directors, employees, agents or representatives shall be liable for any damages whether direct, indirect, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. This Note should not be deemed an indication of the state of affairs of the company nor shall it constitute an indication that there has been no change in the business or state of affairs of the company since the date of publication of this Note. The disclosures of interest statements incorporated in this document are provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. Elara Securities (India) Private Limited generally prohibits its analysts, persons reporting to analysts and their family members from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. The analyst for this report certifies that all of the views expressed in this report accurately reflect his or her personal views about the subject company or companies and its or their securities, and no part of his or her compensation was, is or will be, directly or indirectly related to specific recommendations or views expressed in this report.

Disclaimer for non U.S. Investors

The information contained in this note is of a general nature and is not intended to address the circumstances of any particular individual or entity. Although we endeavor to provide accurate and timely information, there can be no guarantee that such information is accurate as of the date it is received or that it will continue to be accurate in the future. No one should act on such information without appropriate professional advice after a thorough examination of the particular situation.

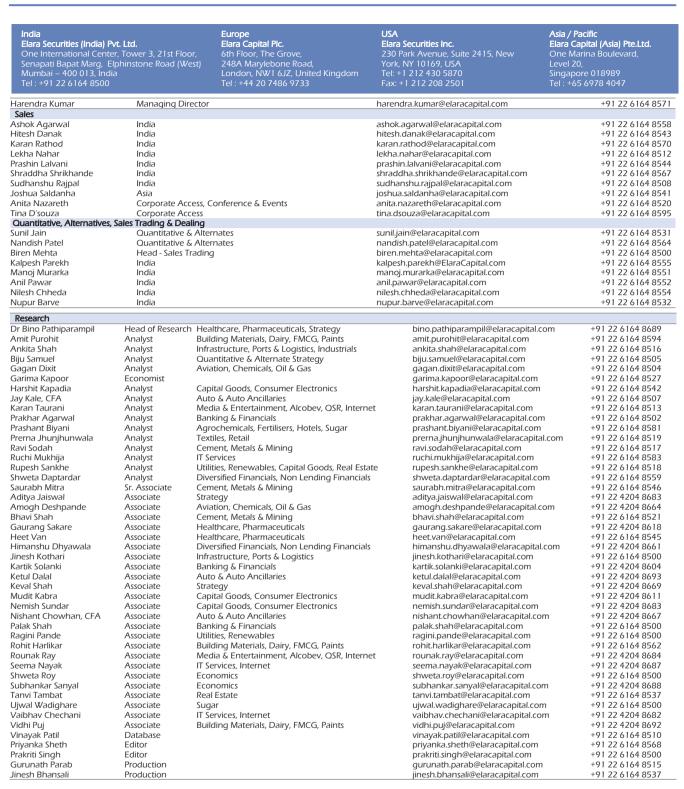

Disclaimer for U.S. Investors

This material is based upon information that we consider to be reliable, but Elara Capital Inc. does not warrant its completeness, accuracy or adequacy and it should not be relied upon as such.

This material is not intended as an offer or solicitation for the purchase or sale of any security or other financial instrument. Securities, financial instruments or strategies mentioned herein may not be suitable for all investors. Any opinions expressed herein are given in good faith, are subject to change without notice, and are only correct as of the stated date of their issue. Prices, values or income from any securities or investments mentioned in this report may fall against the interests of the investor and the investor may get back less than the amount invested. Where an investment is described as being likely to yield income, please note that the amount of income that the investor will receive from such an investment may fluctuate. Where an investment or security is denominated in a different currency to the investor's currency of reference, changes in rates of exchange may have an adverse effect on the value, price or income of or from that investment to the investor. The information contained in this report does not constitute advice on the tax consequences of making any particular investment decision. This material does not take into account your particular investment objectives, financial situations or needs and is not intended as a recommendation of particular securities, financial instruments or source and, if necessary, seek professional advice.

Certain statements in this report, including any financial projections, may constitute "forward-looking statements." These "forward-looking statements" are not guarantees of future performance and are based on numerous current assumptions that are subject to significant uncertainties and contingencies. Actual future performance could differ materially from these "forward-looking statements" and financial information.
